Notes for OPAL PATRICIA PHILLIPS:

Grandma Opal was a very sweet person. I lived in Greenbrier, AR in ca 1987-1988 and went to college at the University of Central Arkansas. Grandma lived right in the middle of town in Conway. She was a "Toadette" from the senior "cheerleaders" of the town of Toadsuck. I watched the Olympics with her and remember having a great time with her. After meeting my future wife I moved away and grandma wondered what had happened to me and why I wasn't visiting (she wrote me a letter). It made me sad and I visited her soon thereafter. At that visit she gave Heather and I a quilt called "wedding rings" that she had made and had several others for all the grandkids. Months after I graduated in 1993 she passed and I never saw her again. In 2005, I went to the funeral of Russell Frederick Jordan (my first cousin and the grandson of Opal). At that funeral I was able to see my grandmothers gravesite and had a little talk with her again. She was the last person I talked to that afternoon.

Notes for MINNIE IRENE FLOWERS:

Minnie Irene was a great Genealogist. She kept most all of the records shown on the LDS website for the Flowers family line. She was a great person and sweet. I remember before she died, she showed me her pedigree charts for the family that she had accumulated over the years. She looked for 13 years for her son before finding him dead behind his high school. He had been murdered by a high school friend and buried there. I weep for her and her pain through the years.

 55. Lori Forsee, thought I would let you know we had another death in the family. James Starling Forsee, died April 29, 2006 in Ferndale, MI. He was my Father-in-Law's brother. A little note on the side: he had a landscaping business with contracts for Detroit and I think Hazel Park.... called Forsee Landscaping. Thanks for keeping in touch.
